**Queen Elizabeth Public School
Professional Activity Day Agenda
April 8, 2024**

Topics for the Day:

Topic 1 (AM): School Improvement and Literacy

Host: Tom Havey

Presenter(s)/Facilitator(s): Staff and Administration

Description: Session will be related to school improvement planning, with a specific focus on Literacy and Tiered Supports Framework. Staff will have the opportunity to continue to learn about the new Literacy Curriculum and Tiered Supports Framework, review the resources and tools available and engage in discussions for successful implementation.

Topic 2 (PM): RCDSB Staff Demographic Data Collection

Host: Amy Johnson

Presenter(s)/Facilitator(s): School Administration and Central Staff

Description: Participation in this data collection is entirely voluntary, but we aim for an 80% participation rate. This thorough data gathering will help us better grasp our organization's dynamics and work towards eliminating systemic barriers outlined in the Ontario Human Rights Code. All data is confidential. No personally identifying information, like your name, will be required. Individual identities will not be disclosed, and data will only be reported in aggregate form.

This survey is guided by the Ministry of Education and is in compliance with Ontario's Anti-Racism Data Standards, the Ontario Human Rights Commission, and all relevant legislative requirements set out in the Education Act, MFIPPA, the Canadian Human Rights Act and the Canadian Charter of Rights and Freedoms. The Ontario Human Rights Commission permits and encourages the collection and analysis of identity data for the purposes of:

- identifying and removing systemic barriers;
- preventing discrimination;
- promoting equity and inclusivity.
